Winners of the 14th Plastic Battle have been Announced!

Plastic Battle Armor Modeling Show; the only model competition organized with the contribution of a defense company, which has been sponsored by FNSS since 2008. Competition was held online again this year between 1st of October to 27th of November. 200 participants from 14 countries joined the online FNSS Plastic Battle competition with 325 models in 7 different categories.

The contestants participated by uploading the photographs of their models to the relevant categories on <https://fnssplasticbattle.com> web site and an international jury consisted of master modellers, determined the winners by voting the models on a dedicated online evaluation platform.
